Project Objectives:

The project objective is to develop cooperation among Latin American and European higher education institutions, through the exchange of students and staff. As the consortium offers a wide range of thematic fields, any individual mobility demand will find the right educational programme or the right research team.

Brief description:

The project proposal foresees a wide consortium of 11 Latin American universities(4 from Peru, 4 from Bolivia, 3 from Argentina) and 9 European Higher Education Institutions (Spain, Portugal, France, Belgium , Germany and Czech Republic). The consortium will implement 157 mobility flows.
